

SIGNED DECLARATION OF PROOF OF USE

I, _____, with Identification Number _____ hereby certify that the information submitted into the Mark Validation System, is, to the best of my knowledge complete and accurate, that the marks set forth in this submission are currently in use in the manner set forth in the accompanying documented proof, in connection with the class of goods or services specified when this submission was made to the Mark Validation System; that this information is not being presented for any improper purpose; and that if, at any time, the information contained in this submission is no longer accurate I will notify the Mark Validation System within a reasonable time of that information which is no longer accurate, and to the extent necessary, update and, if required, provide additional information necessary for the submission to be accurate.

Furthermore, if I subsequently abandon any mark that has been verified by the Mark Validation System, I will notify the Mark Validation System within a reasonable time that the mark has been abandoned.
